### Steve on the Issues

#### **Water Management:**

Supported new conservation law requiring local governments to repair leaks and reduce water loss and promote measures to help prepare Georgia for future water shortages.

**Trauma Care:** Supports funding proposal to enhance Georgia's Trauma Care Network

**Transportation:** Fought for a more comprehensive transportation funding proposal to help solve metro Atlanta traffic problems.

**Education:** Working to restore state funding to local schools, giving our students and teachers the resources to excel

**Jobs:** As a professional director of vocational training, Steve fights to enhance Georgia's workforce preparedness efforts to help attract new employment opportunities.

**Steve Henson, Democrat**  
**State Senate District 41**  
General Election, November 2  
Early Voting Through October 29
